“ We want to send our most sincere sympathy and let you know that our thoughts and prayers are with you and your entire family. Cyndie and I were cousins and spent many happy days playing together at Grandma Bivens house, especially running in the garden. I am sorry for your loss and I wish that our families had been closer. Please stay in contact with us through my email address. My mom, Marjorie Bivens Lee, gets news and was saddened by the Cyndie's death. We are sorry this is so late but we did not know of her passing until today, 6/29/09. With love, Vickee and Tom Duncan

“ I was so sorry to hear the news. You are my second family and Cyndi will continue to live on in the many years of memories that I have. It was so hard to hear of her passing because she was such a presence in my childhood. I’m sorry I couldn’t be there, but she has been in my thoughts. There are so many stories I could tell and funny memories I have from growing up with all of you, and they all mean so much to me. Vince and everyone you are in my thoughts. I hope to see you this summer or sooner.

“ Dear Sal and family, It has been a long time since Jason, Jamie, Mike and I lived at 1203 N. Maple Street. A long time since my kids would beg to have the girls babysit and I always thought Vince was my "quiet" son. Sal, you and Cyndi were a wonderful example of love, good parenting, and always kind to everyone. Jason has kept me up to date regarding Cyndi's health. She has and continues to be in my prayers. All of you are in my thoughts and prayers. I believe Cyndi is in a much better place. It is just so hard to loose a loved one. I send my sympathies and love. Love Always, Jo You are welcome to visit if you are ever in Dallas. 469-855-1228 Sincerely!!! God Bless you and give you peace.

“ Some of my fondest memories of teaching are Cyndie and her beautiful children. She was always there when we needed help and pitched right in to make our school a better place for all children. It was a delight to have a Catanese student in my classroom because they were there to learn and had Mom and Dad supporting them. Job well done Cyndie and Sal. --Holly Stanfel

“ To the entire Catanese family, My thoughts are with you all, I've always admired how close knit your family is and I know it has a lot to do with what a fabulous person Cyndie was. She always made me laugh and was one of the strongest woman I know. Her Beauty and character as a person is clearly evident in the wonderful family she has left behind.
