“ Cindy Puz was one of the funniest people I have ever worked with. When she was working with me, there was always fun and laughter. Most memories were had to be there moments but there are so many.  
Cindy never shined more brightly than when she was talking about Shaylin. Her Sha-na-na was the light of her life. My heart goes out to you and your family Shaylin. Your mom will be missed. May your memories bring you comfort and peace.  
Sincerely,  
Marsha Stanley
