

Cynthia Lombardo

October 1, 1955 - October 11, 2023

Cynthia Lombardo, a generous and fun-loving soul, passed away on October 11, 2023, at the age of 68. She was born on October 1, 1955, and leaves behind a legacy of warmth, laughter, and unwavering love.

Cynthia is survived by her loving daughters, Bridget Lombardo and Gina Lombardo, and her son-in-law, Demba, who will forever carry her spirit in their hearts. She was a doting grandmother to Salif and Ida, showering them with boundless affection and silly antics. Cynthia also leaves behind her several brothers and sisters. Preceding her in death was her beloved husband, David. Cynthia's zest for life was evident in her passions. She was an avid gardener who took pride in her flower and vegetable gardens. She was most at ease near bodies of water, and she jumped at any opportunity she had to travel and explore new places. Her laughter, distinct and contagious, echoed through the lives of all who had the privilege of knowing her.

Children were drawn to her because she was a kid at heart, and had boundless energy even as she grew older. She held a special place in the hearts of her nieces, nephews, and grandchildren. Her dogs, Jasmine and Kirra, were more than pets; they were cherished companions whom she loved dearly.

Her positive outlook on life was infectious, and she made it her mission to ensure everyone around her was not only cared for, but also enjoying every moment to the fullest. Cynthia's strength of will was unwavering, a testament to her determination not to let anything in life dictate her path.

Cynthia Lombardo's heart was immense, her love was limitless, and her impact immeasurable. She will be dearly missed by all who had the privilege of knowing her. Her memory will forever serve as a reminder of the power of love, laughter, and unrelenting strength.
