

Cynthia Marie McNamara

July 1, 1957 - June 5, 2023

Cynthia M. McNamara, a beloved wife, mother, grandmother, and sister, passed away on June 5, 2023, at the age of 65. She was surrounded by her loving family as she peacefully transitioned into eternal rest. Cynthia's warm heart, kind spirit, and unwavering love will be deeply missed by all who had the privilege of knowing her. Cynthia's greatest joy in life was her role as a devoted wife and mother. She was married to the late Thomas McNamara, and together they created a home filled with love and laughter. Their union was a true partnership, and they navigated life's challenges and triumphs hand in hand. Cynthia's unconditional love and unwavering dedication made her an extraordinary mother to her children, Melinda McNamara and Thomas (Misty) McNamara. She nurtured and guided them, instilling in them values of compassion, resilience, and kindness. Cynthia's love extended to her granddaughter, Madelynn McNamara, whom she adored and cherished. She took great pride in watching Madelynn grow and was a loving and supportive presence in her life. Cynthia is also survived by her loving father, Gene Oakley. She had a green thumb and found solace and joy in tending to her garden. Whether it was planting colorful flowers or growing her own vegetables, she had a knack for nurturing and bringing beauty to life. She would often spend hours outdoors, connecting with nature and finding tranquility in the simplicity of gardening. Cynthia's passion for gardening was not only a personal sanctuary but also an opportunity for her to share her love for the natural world with those around her. In addition to her love for

gardening, Cynthia treasured the time she spent with her granddaughter, Madelynn. Their bond was filled with laughter, stories, and cherished moments. Cynthia's presence in Madelynn's life will forever be remembered as a source of love, guidance, and support. In honor of Cynthia's memory, the family kindly requests that, in lieu of flowers, donations be made to the National Multiple Sclerosis Society. Cynthia's compassionate nature extended beyond her immediate family, and she deeply cared about making a difference in the lives of others. Supporting the National Multiple Sclerosis Society allows her legacy to live on by aiding in the research and support for individuals affected by this challenging condition www.nationalmssociety.org/Donate

“ Cindy... Mom ❤️ You and I had a very special bond that I will always cherish! You taught me so many things about life, cooking, gardening, decorating, and so much more! I will miss our talks the most. Whether it be over coffee, an adult beverage, or a water after being in the yard all day! You taught me more than you realize and touched my heart in so many ways! I miss you already so very much. I understand God has a plan, I just do not understand what it is just yet, but you've taught me that in time I will see it. I hope you are in Mr. Macs arms once again and at peace. No one deserves it more than you! You were and always will be our Rock and I am so grateful that God gave me you for the time He did ... until we meet again rest easy 😔

“ To Melinda and Tommy, I am so saddened to hear this very sad news. I will be praying for both of you during this very sorrowful time. I loved your mom and dad and always looked forward coming back home and spending some time catching up. Hugs to both of you! They will be greatly missed. The old neighborhood will never be the same without them and their beautiful home filled with American flags and gorgeous flowers.

“ I'm a neighbor and friend to the family. Cyndi was the sweetest, kindest & warm hearted lady I have ever met. She was so knowledgeable about flowers. She gave great advice to me on care from flowers to family. I will always remember her most for her generosity towards me and my family. I am so fond of her and her family. I feel so blessed to have known her. And she's the best example of a truly gifted and wonderful woman. Her humor and her loving spirit will be deeply missed. Judi~
