“ I met Cindy when I started dating Bobbie. She warned me from the get go to take care of her daughter. As time went by her and I became more like friends than son in law and mother in law. I feel bad because we haven't talked a lot since I moved down south. I will always remember her laugh and her sending Bobbie and I to Mr. C s with multiple coupons to get subs. Lol. The big guy took you to early, but he makes the rules. You will be missed and I look forward to seeing you again. Rest Easy lady we got it from here.

“ *She will be missed, and I will be praying for the family. I remember and miss all the holidays our family would spend together. She was a wonderful cook, always made all the family feel welcome, and we always shared such wonderful moments as a family. Prayers for the family from the The Layers(Monica Layer/McWherter)*
