“ Now that you are laid to rest little sister, enjoy your health and happiness. You were always so much a part of all our lives and you will be missed dearly. God bless and keep you and Bill in his love.

“ Our condolences go out to all the Murphy Family. We are truly shocked, saddened and heart broken that Cindy has passed away. Cindy was our sister in law , but we loved her like a sister. Cindy was married to our brother Bill and though we only knew her for 9 years it seemed like a life time. The Melan Family will never forget how much she loved Bill. Every time we would see them they acted like honeymooners . Since Bill passed away she seemed lost without the love of her life and her soul mate. We talked often and every talk ended with her telling us how much she missed Bill. Well now their together again and the two love birds are honeymooning again in heaven .Cindy we can never Thank You enough for how happy you made Bill in his final years and how well you took care of him. Bill loved to dance and we know that you are with Bill dancing up a storm. There will be a empty place in our hearts now that your gone. We will miss you . All Our Love . “ My condolences to the Murphy family and friends and all others that knew and loved Cynthia. I never met her but had often heard about her and her life from my Aunt Judie Barry. I trust that Cynthia is now with God and looking after all of those that loved her.

“ Aunt Cynthia - I am so happy we had time to visit in Georgia, and catch up on everything. I think we children misunderstood you for a good part of our lives, but we didn't love you any less for that. It was a pleasure to have the chance to speak with you as an adult just a few months ago. I am so sorry that you are gone and I didn't have a chance to say these things to you in person. However, Uncle Billy and your darling Bill are waiting for you...what a reunion that will be! You were a friend to a confuse child, an aunt who listened, no matter what I had to say, and someone I looked up to. You introduced me to some of my favorite rock and roll, despite Mom's misgivings. I love you dearly, and am sorry that I cannot be there in person for your service, but I know that you are now looking down on all of us and watching over us. You live on in my heart and I have only good memories of my time spent with you. With all of my love -
Karen

“ I was blessed to become acquainted with Cynthia while working with Bill. The two of them were both very kind people. I am so shocked to hear that Cynthia has passed away, especially since I met with her exactly a week ago. I will miss hearing from her. I will have to wait until Heaven to talk to her again. To her family and friends, my condolences. I will miss my friend, but I can say that I can envision she and Bill in heaven, hand in hand. May she rest in peace and eternal happiness.

“ Don, myself and our family will miss my sister and their aunt. Cynthia was a giving person that reached a lot of people. The things I remember most about her are the giggles and her strong will. She more than any of her siblings struggled harder to keep her life as normal as possible. Cynthia met the love of her life, Bill Melan, and they had five fulfilling married years together. He passed away in 2008 and she has been extremely lonely since then. Now she can be together with her beloved Bill and Mom & Dad, Sallie, Dave & Billy. Enjoy your new warm, bright home. With Love, Mary Kay, Don, George, Carrie, Doug, Dave & Dwight.
