“ I was blessed the past few years getting to know you. I think about how you would come into our room during cousins weekend and just laugh with us and have that big smile thinking how crazy we were. We seem to always have our rooms next to each other and I'm grateful for that now. I'll always remember the "cruise" theme. It's was probably my favorite. Every detail was like we were really on a cousins cruiseship and even stopped at ports for entertainment and amazing food. I know my mom is surprised to see you right now but I truly feel it's a better place and I know she gave you a big big hug. You will be forever in our heart with wonderful memories. Love you and I'll be thinking about your celebration of life from San Diego.

“ To Cindy's family: You all have my deepest sympathy and prayers on Cindy's passing. She was always a kind and gentle person. I remember the many times our family got together with Mary, Tom, young Tom and Cathy and Cindy either at parties or having dinner at Mary L's Pizzeria with Grandma Iaconelli. Those were pleasant memories. God bless you all and I will remember Cindy always in my prayers. Greg Kolasa

“ *Every day I'm reminded of how sweet and caring Cindy was when I look at the throw blanket on my couch that Cindy gave me when I refinanced my house. She worked so hard to make it happen. I think she worked her magic for many of us. I will really miss her.*
