“ I didn't know Cyndi very well but we did spend time at the Famer's Market talking about our personal lives, health, family. She had some difficult days the past couple of years and yet she still smiled through it all and started the Gathering Society in Zebulon, NC. I'll remember her fondly and pray for those left behind.

“ JT I am so very sorry, Cyndi was an amazing unique person kind, loving and fun. Even as she struggled with her health she remained positive. She was the only person I have ever known that liked milk chocolate in her chocolate chip cookies and I wish I had made her more of them. Though I do not know you my condolences to her family, the loss of a Mother, sister, daughter friend I know leaves you with sadness. May your memories of Cyndi bring you comfort in your grief.

“ My friend, sister in law, and in life. Her smile lit up a room. Her heart
so big, her fight for good health, so long. Godspeed on your new
journey, may it bring you health, peace, and so very much love. You
made a difference Cyndi in my life and that of so many others. I love
you.
