“ I was sorry to hear Cynthia passed. I spoke to her just a couple of days before, I could tell she was tired, but was hoping she could fight off the cancer, She will be missed. I am happy that she and I were able to have a good conversation a little over a week ago before she moved to the Hospital. Cynthia was a good person and one of the most honest and straight shooters I know. I always like her and we were friends over many years. Even though we were separated by miles, the few times we were able to get together, were like we had never been apart.

RIP Cynthia

“ I was so saddened to hear of Cynthia's passing. I went to high school with her. From 1995 to 2005, I lived in Hamtramck. We continued to see each other. (For years, we didn't). I had a hip replacement, then got blood clots. The nurse that came to my house told me I needed to go to emergency, like NOW. I said I had no one to take me but then thought about it and called Cynthia. She came and got me with no problem. She picked me up and took me home. She took me to the doctors when I needed to go. She was certainly there for me.

When her cancer came back, I was sorry I wasn't there for her. I moved out of state. I will miss her. She's in my prayers.

RIP Cynthia!
