“ Dear Allen and extended family, I wanted to convey my love and express my deepest sympathy for your loss. I know the type of void created when someone you love moves to the other side of this thin veil between us. I still think about and miss my dad- Denny Allen many times daily and he's been gone just over 5 yrs. I remember Susie very well She was one of dad's "faves" of the cousins and they kept in touch through their adult years. I have my own little cousin clique and understand how some of those cousin connections remain treasures forever and sadly some dissolve. I'm glad that my dad gets the opportunity again to hold and hug one of his cousins from his family treasure chest. And one day, we will all get to feel those welcome home hugs. How amazing is that? I will pray for strength and comfort from God for you all and the hope that your sweet memories you'll forever hold in your heart will one day help dry some of your tears! All my love, Lisa Allen

“ We are so very sorry and your whole family are in our prayers. We will never forget Sue or how very special she was and is now to God who was waiting for her with open arms to welcome her home. We wish we could be there this week. Lee and Ida are in Nevada for two weeks and I am dog sitting with their german shepard who can't be left alone for that long. We will never forget how many times Sue and Dan came to Grand Rapids when our mom was dying and we laughed and spent time together. I found pictures of that time and I will send them on wish I had found them before, Sue would have enjoyed and laughed with us. Sue was a beautiful little girl and a beautiful woman with an infectious smile. We love you all.

“ Bruce and I have you all in our thoughts and prayers. We who are left behind are truly the ones that need the support. Suzanne was a ray of sunshine whenever we saw her, her smile was infectious. Today Jesus is smiling back at her as He listens to her sing for Him. Can't wait to witness that!
