Sandy killed my father making him lay on the ground for over a half hour 45 minutes and did not call an ambulance but walked three houses down to a neighbor's house because she was a nurse oh, Sandy had this planned she would not give my father water, put a bed upstairs for him. My father was a awesome man. And I hope and pray that Sandy is rotting in hell and we'll stay there for eternity with the devil making her do the most shittiest job possible. Sandy Slater you are a killer and I know you died hard.
