“ Uncle Mart my Dad, to all the cousins, loved to see Dan at the football practices. Dan was the biggest guy on the field at Port Huron Catholic High School which was across the road from our house. Our family extends their condolences to Donna and family.

“ Dear DeLuca family, I am so sorry to hear of Dan's death. My husband and I bought our first house from Dan's parents. He also did the collections for the credit union I work for. He was a great guy, I will miss his funny emails. He would often reminisce about his childhood in Port Huron. May God be with you during this difficult time.
