“ As a former kindergarten teacher I can safely say, I could recognize a great mom from the moment she walked in our classroom with her first child to attend school. I was the fortunate teacher to meet Dana at Mohawk when she brought Cameron to school for the first day.

Through the years she had 3 sons and such a parent with an energy of joy and caring for everyone. Your mom and wife will always be a guiding light in your lives because I know she was that person to you while she was with you in this life on earth. You are in our prayers at this time of loss to remain full of faith and know her love for you all will always sustain you and surround you with grace through the years ahead.
