“ Miss Dani Marie, You are forever a part of me. You are forever a part of all of us. You have touched so many lives that you never even knew about! While at your service I had the opportunity to stand in front of all those people. I couldnt believe my eyes! I knew you were super awesome but I couldnt believe how many other people knew too! Im smiling now thinking about it just like I did that day. That is how I know that you will ALWAYS be here and ALWAYS be a part of me. You were the best at making me smile. One look or sound from you and I was no longer able to be upset or angry with anything! You still do that for me too. It has been a little over 3&1/2 years since you left for heaven & you still put a smile on the faces of Momma, James, Toby, Austin, & Jaxson every single day. We love you & miss you so much Dani. You taught us so much about life. You taught us everything about love. To the moon & back Baby Girl. XOXOX
