“ *Danny was one of the happiest people we knew! Didn't see him very often, but when we did, could pick up friendship right where we last saw each other. Will miss him....Dave & Cindy*

MY

“ Danny,
*I cannot believe that we are saying goodbye ,for now.
When I think of you, I remember the way you cocked your head to
one side. You would have those sparkling blue eyes . And laugh....
What ever you laughed about so did I! I remember as a little kid, you
and Drew and Jerry would go into your bedroom to play army guys.
I want to play so bad...but I was a "little GIRL" ! I would stick my
fingers under the door and try my best to grab one of those guys!
They were always just out of reach.... But you...as a cousin . You
were never out of reach when I saw you. A welcome hug and a how
ya doing would always happen.
We didn't see each other as much as we wish we could have. But,
there was always Love and Admiration between our Catlin/Proctor
Family. I am so glad we can all share that.
Karen , Glenda, Of course you are all in my thoughts and Prayers
as you navigate these difficult days. May the hope of a Most
Glorious Family Reunion give you Peace and Comfort. Love You All
Always!*

“ Danny was a dear friend. Through the many years he and my Dad worked together and then my years working with him. He was always quick with a smile and a joke, and he was always there to help me any way he could. Myself and my family sends deepest condolences to Karen and the rest of Danny's family. I pray that Danny gazes upon the face of our Holy Redeemer. Until we meet again my friend...rest easy!

“ *Though our hearts are deeply saddened, Danny's warm & bright smile, gentle spirit & kind heart, have touched all who have known him.*

Karen, Glenda and all of Danny's loving family; may your cherished memories keep him in your hearts. Sorrow comes from a great loss and reflects that we have love in our lives, love reminds us we are never alone. The love you have for Danny will always remain in your hearts. You will all be in my thoughts and prayers in the weeks and months ahead.

Years can put a distance between family relationships and though we haven't spent the time together like we did as children, we are still family.....Danny I will miss you! Love your cousin, Dee
