“ We were so very sad to hear the news of Dan's passing. Though there were not opportunities to see our cousin as often as we would have liked, his kind spirit and sweet smile always made a deep impression. We offer sympathies to all of you in Dick's and Dorene's families. Were your Aunt Elaine still with us, I know she would especially like to be there with you all, honoring Dan, as would we. Sending love and prayers from each of us, – Blaine (Uncle Bud) West, with Charlotte, Marilyn, Kimberly, Harry and our families.

“ *When a fellow modelling friend told me of Dan's passing just yesterday, I reflected on all the times Dan and I visited at toy shows. Dan was a true gentleman as well as a genuine person and was always someone that i looked forward to seeing in my working and collector years in the industry. Why? because Dan made you feel like someone and always took interest in who you were and what you were doing. He will be missed greatly and was one of the pioneers of the custom model world. May you rest in peace, Dan.*
