

Daniel Sargent

December 30, 1981 - June 12, 2024

It is with great sadness that we announce the passing of our beloved son, Daniel "Dan" Sargent, 42. Daniel passed away unexpectedly at home of natural causes on June 12, 2024. He was born in Marquette, Michigan to his loving parents, Dwight and Rosalind Sargent. Daniel is survived by his parents, Dwight and Rosalind Sargent, his brother, Eric (Lisa Houk) Sargent, nephew Eric Sargent Jr., and niece Isabella Sargent, his brother, Matthew Sargent, his grandparents, Dieter and Hildegard Enzenberger, and many aunts, uncles, and cousins. He was preceded in death by his grandparents, Dwight and Marilyn Sargent.

Daniel lived in Sterling Heights, Michigan, and graduated from Henry Ford High School. Daniel had many interests during his life including writing poems and short stories, photography, painting, and exploring the possibilities of A.I. His newest venture was creating greeting cards for his family using A.I. and pictures of our pets, which we all appreciated greatly. Daniel loved spending time with his niece, Bella, and nephew, E.J., and always tried to sneak in some of his hard-earned wisdom to help them in their journey to adulthood. They always put a smile on his face.

Daniel encountered many struggles during his life but approached each day with a positive and grateful attitude. He loved all animals, especially his dog, Mr. Pete. He experienced the most peace and happiness taking his beloved

dog Mr. Pete for walks along the river at the park. Daniel was always looking for ways to be healthier, for himself and his family coming up with interesting healthy concoctions in the kitchen. He was there to make our coffee every morning and start the day with engaging conversations. We will think of him every morning as we sip our coffee.

Daniel was very important to our family, and we are grateful for the last seven healthy years we had with him. Daniel, you are loved and remembered and will always be in our hearts. Peace to you our dear son.

“ I met Dan 14 years ago on Father's Day 2010 he was very very easy to talk too and also to get along with and honestly just a very good person.he is my 2 children's uncle and he meant a lot to both of them as much as they meant to him. He was so awesome in a lot of different ways I loved the fact how much he loved animals and how caring he was to his nephew and niece he was so good to me he help with everything involving electronic, any questions I had about anything he would always answer if he didn't know he most definitely did not hesitate to find me the answer. I'll always keep him very close to my heart ❤️ and he will always be there love ❤️ and miss you so much Dan!!! I will never forget you and I'm so appreciative I had the chance to get to know you.Till we meet again (its not goodbye it's c ya later)-Lisa ❤️❤️❤️
