“ We were surprised and addened to hear of Dan's death. We only knew Dan for a very short time, but he was very well liked. He volunteered to become a member of the Coldsprings Township Parks and Recreation board, and he was a welcome member to our committee. He always had a smile on his face and was willing to help in any way he could. He will be sadly missed by all of his family and friends. May God comfort those he left behind. “ We were very sad to hear of Dan's death. When Dan moved into Snug Harbor we knew he would be a great neighbor and friend. We would see him walking w Luke, always with a big smile, even in the cold. We had converstations of his love of the upnorth, fishing, and how he came to choose Kalkaska. We are sadden by our lost as we were looking forward to becoming great friends. His love for life was very apparent by his actions. He was excited to learn where all the good fishing holes were and all the walking trails for Luke. Our hearts go out to his son's and grandson, and Tina may your memories help heal the pain. It was a pleasure knowing him, although it was for a short time. He will be missed by all.Dan and Nadyne AbfalterFriends/Neighbor from Kalkaska

“ We were all saddened by the news of Dan's sudden death. We did not know him for a long time but he had become a good friend. He showed a real desire to share his time with helping to feed residents in Kaskaskia County from our pantry at KAIR. He was also active in Coldsprings Township activities. Our sympathies to the family in your loss and hope God would fill your days ahead with fond memories.

“ One of my best memories with Dan is going fishing early in the morning. We got in his boat just after watching the sun come up and went out on the lake and caught quite a few bass. Then after we got back to the dock we cooked a huge breakfast. We had a great time. Dan taught me the pleasures of the simple things in life. I am a better person for knowing him. Rest in peace Dan, I will miss you and love you forever!
