“Elementary school, we met. She was an amazing person. She was always fun to hang out with, always someone I could go to. Life took us two seperate ways and I wish it hadn't. Praying for everyone affected. Hopefully I'll see you in heaven.

“ I have a lot of fond memories of Danielle back in elementary school. It was always Danielle Shelby and Emily. The sleepovers, birthday parties, swimming in the hulmes pool and all the other many other outings they shared. She was always a joy to be around; Always so happy bubbly and full of life. My heart breaks for her family and friends she left behind. Danielle will always hold a special place in my heart. Rest in peace Danielle. You will be missed.

“ Danielle, one of the most caring souls I've ever had the chance to meet. You took the most amazing loving care of Carson, no one in this world could ever say anything less. My heart absolutely aches sweetheart, you are loved by so many people, your loss has devastated so many. The love of our entire group for you has brought us together to mourn such a beautiful and wonderful life as one. Tears will be plenty, but these tears are of remembrance of your foot prints on our hearts. I remember the time at the lake with all of us so vividly! You were ready to kill Joseph! Even through it all though we always had a great time. I still can't believe this to be true, may you fly high and consistently know that we all love you more then words could ever begin to explain. This is not the end, but only the beginning. Love, your brother always, Chris
