“ *I’ll never forget every time I walked up to her house she would be standing at the door peeking out the window pretending to lock me out! She would laugh and stick her tongue out at me! She cracked me up! I will miss that sassy lady ❤️*

*I’m going to miss Darlene, she was a special person to me and my family. Always a smile for me when I went to see her in the assisted living. At the end of the visit she loved our good bye head bump. Sometimes even a hardy laugh!*
