Mother grew up always wanting others to laugh, hug and share life with. She was determined when she was grown and married that she would have many children. She always held dear her mothers sisters and their children. They were always very close.

A graduate of Centerline High School in 1956. Darlene was a majorette and enjoyed choir which is where she met her only love George Day. After Graduation, Darlene and George married settling in Warren. Their first babies were TWINS! Sherry and Kelly – Darlene's dad Hunt wrapped up those babies and took them to visit that old doctor. "That baby you told me wasn't worth a wooden nickel, just look what she did"! Darlene went on to have another boy, Mark and five years later Julie. – Mom loved being a mom. She always said it is the best job ever. She had a great love for her each of her children. They do call her blessed.

When the kids got older, Darlene attended and graduated Sawyer Business School and was a secretary for several years. She and George also worked together for many years with the service garage and water treatment

business.

Darlene and George traveled some. Mother traveled to Europe, California, Bermuda and Hawaii. She loved Paris but wanted to live in Hawaii!

Darlene loved to spend time with her family. Whatever the occasion, birthdays, great grandkids birthdays, holidays, shopping with her girls she was all for it. She took care of her Aunt Shirley, checking on her everyday. She was always celebrating someone else.

She always made you feel like you were her favorite person, Selfless blessing.

You could see Jesus in our Mother.

“ *Darlene loved her family! She was talking about them and showed me many pictures when I was there that were throughout the house! She was very sweet and even though I didn't spend much time with her, she wanted to make sure I was comfortable, wasn't hungry and overall comfortable*
