“ I just wanted to take a moment to thank everyone for all their love and support during this time... **OUR FAMILY ROCKS...** I love you! Together we will get through this by being strong and positive that she is at rest with God. For those of you that can't be here... **REMEMBER...** distance is measured by the mind, the heart **NEVER** feels the void! In spirit we are never apart and my love goes out to each and everyone of you. God Bless and take care of you.
