“ *Please accept my deepest condolences. It is still difficult to believe that Darlene is gone. She died far too young! We were the best of friends during our crazy highschool years and I will always remember the adventures we had together. God Bless.*

“ *Darlene and I were friends in high school and we lost contact with each other many years ago. But I've always remembered her fondly. I was shocked to hear she passed away. I'm so sorry for your loss.*
