“ Reverend Boone cared about everyone and always made everyone at Christ Lutheran welcome. We cherish the memories from the Sunday morning services. I'll always remember meeting him while walking the Dodge Park Trail where we paused and had a long conversation. .

“ Pastor Boone gave me great comfort and reassurance during a deeply sad time. He had the right words and His faith shone through. May you, his wonderful family, be comforted now, but know he is rejoicing in heaven.

“ Pastor Boone was a great man and there for many of the important moments in our family’s life. Admittedly I didn’t pay the closest attention to his lengthy sermons, but fortunately Jon, Tracy, our other friends and I were still able to absorb much of the love and wisdom growing up at CLC. Pastor Boone officiated our wedding and baptized our three children. He and Mrs Boone were great friends and spiritual leaders for my parents. He will be dearly missed.

“ Reverend Boone has been a wonderful neighbor for many years here in Caseville. There has been many times we have had long talks about life and those events we all deal with in life. He has been a constant mentor to me and a great family addition to our family. He will be missed greatly by me and my family. I want the entire family to know we grieve with his passing with you. We know he is the with his beloved wife and life partner now .

“ Pastor Boone loved to use his puppets to tell the Children’s Sermon during the Sunday service. This was an enjoyable learning experience for all and made adults feel like children. He loved people in general and he and I used to tease each other with love and then laugh hysterically. He shared his feelings about a marriage he performed for two dear friends who truly loved each other, and it made me realize that he was truly caring and brave. Pastor Boone was a bright light to many and he will always have a special place in my heart. I know John Blake and my mom are happy to see him. Cherish the memories because they will sustain you forever.

Our sympathy to the Boone family. Pastor Boone had such a wonderful sense of humor that truly enhanced his ministry. He and I had this silly thing going because I always referred to myself as “the old duck” and he would always greet me with “how are you” to which I replied “not bad for an old duck.” After a while he would catch himself and say “I hear the feathers rustling.” In fact the last time I saw him was at Jean’s funeral, and that is exactly what he said to me. Even in grief, he kept up his spirit. A truly caring and compassionate pastor, he faithfully proclaimed God’s Word, often using his puppets to engage the children, and the adults enjoyed them as much as the kids. He will be missed by all who knew him.
