“David Bram has left a legacy of caring, and unconditional friendship. I first met David as a student at Oakland Community College over twenty five years ago. His joy in sharing his knowledge with students made the mastery of the course work easier and enjoyable. David developed instructional materials using an Apple II computer and dot matrix printer that I still used until I retired. I was fortunate to be taken under the wing of David as a student, lab assistant, adjunct instructor and finally as an instructor at OCC. He provided a model of education that served me well throughout my career.

I also shared my birth month with David and three others at OCC. Every March the “March Boys” would gather to celebrate life, friendship, and food. David was the coordinator of the group keeping all of us in contact. Now I find myself the last of the “March Boys”, I will pause and celebrate the lives of the “March Boys” (Edgar, Don, Harvey, David) every March with a meal and a beer.

David was more than a teacher and mentor, he was a constant friend. It was an honor to be a part of his large circle of friend. We shared a love of technology, and gadgets which resulted in hours of troubleshooting computers, networks, appliances, cars, and other devices. Every problem became an enjoyable exercise in discovery, brain storming, and learning. I’m sure Janet was baffled by how much we enjoyed those sessions.

David has touched many lives and will live on in all of those he touched. We grieve for the family’s loss and celebrate a life well lived.

“ *To the family of David Braum : Please accept my sincere sympathy for the loss of your loved one. While we don't know one another, experiencing the devastation of losing a loved one is something we all face in our lives. The Bible promises a time when "death will be no more" (Rev 21:3.4) and assures us that God hears our prayers (Ps 55:22). I hope this brings you some peace during this difficult time.*
