“ I truly can't put into words how saddened we are by the loss of Dave. He was one of a kind. I can still hear the sound of his laugh. I'll never forget when we were kids continuously playing the song MMMBop in a pretend band alongside his sisters and my siblings. Or the time on Easter when our parents made us do an Easter egg hunt and I got tackled into a bush by Dave and Dan over one of the eggs. We laughed so hard we couldn't even get up. All the family gatherings, he was the life of the party. We had the best times growing up and were always such close cousins. You will be missed by so many, but there's comfort knowing we will meet again. Love you Dave!

I am so truly sorry for your loss. I did not work directly with David, nor were we ever formally introduced, but his face is very familiar to me.
Perhaps we shared a casual nod in the halls of Tech Center.
It is impossible for me to understand what you are going through, but please accept my heart felt condolences...

“ David you were always so kind. Your smile was contagious. The last memory with you was at Dans wedding and I forced you on the dance floor. You smiled your contagious grin and reluctantly went out on the dance floor. We laughed at your parents amazing dance moves and caught up on missed life. I know that you are up in a better place now. Hopefully my dad has found you, to show you the golf courses with the best views. Until we meet again.

“ I have been trying to put into words how sadden we are by the loss of David, but it seems impossible. It's still so hard to believe. For so many, the memories with Dave are unless. He was truly one-of-a-kind. His wittiness was the best and his silly energy was contagious. Watching the jokes and banter back and forth between Dave and Dan was always so entertaining. They were cousins that treated each other more like brothers. We will miss him so, so much. Until we meet again....

“ *My Sweet Nephew Dave. I always remember how much fun my son Dan and Dave had together. A great memory was when they were using Airsoft guns using each other as target practice. What a crazy idea but it was funny to hear the gut laughter come from both of them. How anyone can laugh that hard after having their bodies all welted up was beyond me. His smile lit up a room and was a beautiful person inside and out. Dave will be truly missed but there is comfort in knowing he is in the arms of God now. Love Aunt Marcy.*

“ *A young life was taken from all of us far to soon. It is with a heavy heart and deep sadness that I find myself writing this brief but heart felt memory of not only David, but the entire Chaney family. Sandy and I cherish all the time and memories we have been blessed to share with your family. Looking back on the times when we got together for our Monthly visits with you and the Ranieri's, I can't help but think about all the kids running around from room to room and with David being the oldest, leading the pack. David was always a kind and gentle person and we are all better off for having him in our lives. While time and life's activities have lessened our time together, our memories will remain forever. We are truly blessed to consider your family as part of ours and the loss of David will leave a hole in our hearts that can not be filled.*
