

David N. Coluzzi

July 11, 1952 - September 7, 2018

David N. Coluzzi passed away on September 7, 2018 at the age of 66 while golfing at TreeTops Fazio Premier course. Beloved husband of Lori (nee Stange). Loving father of Devon (John) Girton, Justin (Kelly) Coluzzi and Jordan (Seth) Belitsky. Amazing papa of J.D. and James Girton and Sylvia and Margaret Coluzzi. David was preceded in death by his parents Frank and Dorothy Coluzzi. A lifetime resident of Utica, David served on the City Council for over 20 years. He retired from Macomb County in 2003. He was a devoted family man who loved to spend time camping, hunting, fishing, golfing, bowling and playing the keyboard. David was very proud of his hole-in-one while golfing as well as bowling a 300 game. Those around him knew how much David was always there to lend a helping hand for everyone he came in contact with. “ I remember Dave from high school. I remember him playing keyboards and he would give me a ride home from school a lot of times. Going over to his house and he had lots of good snacks at their house. I saw him at Kroger about five years ago and we talked about school reunions. I have fond memories of Dave. He was really cool to me.

“ *My sincere condolences to all of Dave's family and friends. I worked with Dave for several years at the FOC and shared many, many cups of coffee and lunches with him. Conversations were always centered on our respective families and tales of golf games! I always admired the very obvious love Dave had for his wife and children. Thanks for your friendship Dave. “ As a fellow classmate at St. Lawrence, I remember a time when we were all asked to do a creative project for our HS Humanities class with Mrs. Bickford. David brought the whole class over to the church to hear him play the organ! Although most of us had been together since first grade, I had no idea that David had this wonderful gift. Being an artist myself, I was simultaneously, impressed and saddened that I did not know this part of him until that moment! This was also a seminal moment for me as a future art teacher. I knew I needed to also become an arts advocate in the schools. Thank you David, for being a great guy as well as a creative force and inspiration for me and my students!

Blessings to you and your family. Your music lives on in all of us!

“ I, as well as everyone that golfed with Dave always enjoyed being around him and his sense of humor. He always was pleasant and had a smile. I as well as everyone will miss Dave very much. Gone way too soon. Golfing with the St. Therese of Lisieux group will not be the same.

My condolences to the family and pray that you will find consolation in the Lord.

“ *Davy Crockett is my friend forever, brother from another mother, buddy and goombah. Frank introduced me to Dave when we were in our twenties, one hell of a guy. About fifty years later we have a lot of history and memories to treasure. I am sure mom and dad met Dave at the pearly gates with open arms. In our next life David, our paths will cross once again my friend. It's simply meant to be.*
