“ Dave and my dad are so much alike. I'll never forget when I was telling Dave about the house I bought up north for hunting. I asked I'd he'd heard of Ma Dexter's. He said "Sure that's where your dad and I went snowmobiling and rode out bikes!!" I was elated to hear that! We were supposed to go up together. I was looking forward to sharing it with him cause it would have felt like I sharing it with my dad too. I miss you and I'm working on finding a way to send you a card in heaven!

“ Dave was the best big brother I could ask for. A man of few words but when he spoke it meant something. I already miss him with all of my heart.
