

## David B. Hammond

July 2, 1958 - September 10, 2017

Hammond, David B. Age 59. September 10, 2017.

Husband of Grace (Song); father of Alexander and Alicia; brother of Charles (Colleen), Scott (Linda) and Cynthia (Matthew) Jenkins; uncle of Kristen Henson, Carrie Klein, Meredith Briggs, Matthew and Michael Hammond; son-in-law of Alice Kuo and Da Ren Song.

Dave was a graduate of Seaholm High School in Birmingham and attended the University of Louisville. In his spare time, he enjoyed golfing.

Dave began a 20-year career in the material handling industry in 1983 at the Logan Company of Louisville, Kentucky. With Logan and later Griffin & Company of Louisville (1989) and Jervis B. Webb Company of Farmington Hills (1991), Dave managed complex material handling installations at automotive plants all over the world. Early in his career, he lived and worked for several years in Glasgow, Scotland, serving customers throughout the U.K. and Europe. By the early 1990's, his work took him full-time to China where, for over a decade, he supervised conveyor installations in large population centers, as well as remote rural areas of Asia.

In 2001, David returned to the U.S., eventually joining his friend Ted Page, Executive Vice President and former owner of The Aarell Company of Troy, as their Sales Engineer/Project Manager until his death.
