“ Good riddance to another self serving con-man. Sure he was great to all you folks , but at his core was a smooth talking snake oil salesman with no concern for the people he hurt and there families. Self centered middle aged bachelor who lived life to the fullest for himself. Never seen or heard anyone brag so much about there service having done so relatively little. See you in hell asshole.

“ *Dave had THE single best attitude of any person I've meet in my life! Upbeat, quick to laugh and always seeing the bright side of any situation. He taught me much about how to not give up and find the good in any challenge. I have some great memories of time we spent, places we went and things we did. It is in these memories that Dave will I've on forever until we meet again. Thanks for being a friend!*

“ *Although your gone from this material earth the vision of you exists in our heads and those visions fill our hearts with love. We are saddened by this loss more than we know and without you here it just seems that much more empty. The emptiness can only be filled by thoughts of you and memories that we cherished together even if for a moment. We love you Dave and always will, rest now for we will meet again in the light.
