“*Dear cousin David, I will always remember the good times we had together, running and playing in the fields and woods, building forts and sliding down hills where the palace now stands. Riding the trails in Roscommon together, laughing. We sure did have fun. I wish we could have stayed in touch more over the years, but knowing you are with your dad and grandma brings me peace. The old memories will always have a place in my heart. I love you cousin. Adam McArthur*
