Grace and Zachary - We just found out today of Dave's passing and are very sad. Dave was a great friend and he has been in our prayers all of these years. I will miss our lunches together. We became friends because as Dave put it, "I am always looking to expand my circle of friends." That says it all about Dave. We are glad we got to see Dave and you both up at the lake, where you were most gracious hosts, as always. Our sincere condolences.

“ I met David and Grace on their honeymoon on a wonderful Hawaiian cruise.....My late husband also David, and I were there to celebrate our silver wedding.....25 years of marriage. They were a delightful young, in love couple. David was always a source of interesting and emotive conversation, which I loved..We have kept in touch all the years since then, and I treasured the friendshipeven though I live in England. Grace has been a strong and caring support for all the many years she has endured all that David has been through and she has been a tower of strength. My love to you dear Grace, and condolences for you and Zach for the loss of a very special person.....Carole in UK.

“ I was blessed to have met and worked with David at Allison Transmission. After I retired I was able to work with David an additional 6 years consulting at the Detroit Arsenal. David was committed to the end user of new technologies and always put the young men and women war fighters first. We had great breakfasts and lunches together in Warren, Mi. He will be missed for his professionalism and friend. One of America's best.

“ I am so sad to hear of David's passing. Even though my family left Michigan a long time ago, we visited Michigan many times over the years. I remember Dave's stories and sense of humor and was glad we had a lunch with Grace, Judie and Dave this last June. With deepest condolences to all my cousins,

“ Grace, Zachary and Dave's entire family:
Diane and I are so sorry to hear of Dave's passing. Please accept our sincere condolences.
Dave was a good friend!! From our professional days at Radian to our post-Radian days of lunches, conversations at AUSA and NDIA events, and other encounters in the community, he always took the time to ask about me and my family and send his greetings to Diane. Simply put, in addition to being a consummate professional, Dave was a very caring person. We will miss him!

“ I worked with Dave at Allison Transmission. He was always very friendly and willing to share his knowledge, always trying to do what he thought was best for the company - A true Team Player! While he apparently struggled with his health for years, he never complained. He will be missed by many! RIP!

“ Dave was one of my first friends. Our mothers had met as WWII Navy Anchorettes. Bea and Effie and eight other Anchorettes continued their relationship after the war and got together on a regular basis . Their friendship had blossomed by the time Dave and I were born. The group was so tight that we eventually referred to each other's parents as our Aunt and Uncle. So it was my Aunt Bea and Uncle Dave, and David by extension was my cousin.

When we were small our mothers, I am told, wanted us to go on a horseback ride for kids. I refused. Dave didn't hesitate. When we were older, I'll always remember him as the leader of the many kid excursions we took at our annual Bloomer State Park picnic. Down the long flight of stairs to the river, and then on to the waterfall and eventually all the way to the railroad tracks. The challenge was to see how far we could get away from the adults. Dave the daredevil, always wanted to press on to test our limits.

At our last high school reunion, he was the first in the room to approach me and put me at ease. He was that kind of guy. Always upbeat. Genuine. A class act. This world is lonelier without him. I am so sad he is gone. My heartfelt condolences to all the Laverdieres. Thank you for your friendship for so many years.

“ We are so saddened to hear of David's passing. Even though he battled cancer for many years he was always so positive in his outlook! We always looked forward to his Christmas letter updates and he will be truly missed. Many good memories are coming to light when our families grew up in the Detroit area. Our condolences to Grace, Zach, Nancy, Judie, Karen and all extended family.

“ September 17, 2021
c.c to family
Good Day Everyone,

I learned of David Allan Laverdiere's passing this morning, another member of the Laverdieres that I didn't know existed. I am Joseph Johnson eldest son of Judith (Judy) Laverdiere Johnson, Judy was the eldest daughter of Vincent Victor Laverdiere aka Gonzalez of the Barrie Area of Ontario Canada.

I would like to offer my sincere condolences, I surely understand the feeling of despair the immediate and extended family must be experiencing at this time because my Mother Judy passed away in her sleep in 1985 in VanKleek Hill Ontario.

Thank you. I hope that Bones is feeling better. I'm not sure when we will be back upnorth. Probably not for a while. It will be quite an adjustment. You are great neighbors, too.

“ *Dave and I served at the 70th Division. We both liked to play jokes on unsuspecting soldiers. One time he put a plastic cock roach and taped it to the phone to Sergeant Majors phone then he called that phone (old fashion land line old days) and watched him pick up. Sergeant Major screamed like a little girl and ran out of the room lol! We almost pee ourselves laughing. He was such a hard working, fun person! He will be missed! R.I.P. Dave and fly high forever with your permanent wings!!!!*
