“ We were saddened to hear of Mr. Cameron's passing this morning June 11th on WJR 760. We wish earlier notice had been made, so as to have been able to have attended visitation. We extend our condolences to his Family. My Father Richard and I travelled to the WWII Memorial last year, with the Honor Flight group in May.

“ It is with deep sorrow that we note the passing of this wonderfully generous man. Dave was our insurance agent and he set the curve for customer service and satisfaction by going the extra mile to help us. He was also a friend and a generous contributor to so many causes. I can also say, as a radio show host, that he was tireless in getting the causes for which he worked promoted on the air. We have all lost a good friend and you have our deepest sympathies. Dave Cameron's departure will leave a big gap in all our lives.

“ David, My dear, dear friend...what a rich legacy you have left to those whose lives you touched. You were such a good, loving, and loyal friend to Larry, to me, and to our children. I could never thank you enough for what you did for us. You were a true patriot and hero. There are many wonderful WWII Veteran's who have benefitted from your dedication to them. Your dream lives on, and we will continue the work and efforts you began in 2006. I hope you and Larry have had a chance to catch up now, and maybe even squeeze in a game of golf. I expect God will "fix" your game as a reward! Go ahead and eat a steak, have a drink, relax, and enjoy yourself.....you definitely deserve it my friend! You are in my thoughts, heart, and prayers as always. I am blessed for having known you, Dave. Thanks for being my friend..... Love Always,
Cathy Zimmerman
