“ Jen - I was terribly saddened to hear about your dad. Working with Dave daily for so many years, I could write a book about the things I've learned from him and the funny times we've shared. I can remember he'd be all business until he got a call from you. He'd quickly change his tone and his face would light up as he asked how your day was going. That's the soft side of Dave I loved to see. He was truly a mentor who inspired my life path in many ways. He was an amazing guy and I will dearly miss him. I only wish I could be there to join in the celebration of his wonderful life. Be well! Love
- Jen

“ Our Family felt a great loss, when we were told of Davids sudden death. We have our memories of him as a young boy growing up next door to us. I remember him as a young boy swimming in our pool with our children and jumping out of the pool and sitting at the picnic table and saying lets arm wrestle Mr Haglund, and we did, and I feel sad that David and I will not be arm wrestling anymore...he is loved and will be missed.... “ I called David "Big Daddy" of the Guida Family-to his friends and his family, his heart was true and sincere. A man who will leave an emptiness inside of us who loved him but a lasting print on our hearts. Watching him grow up from a little boy into a fine young man was a pleasure I shall always treasure. To know David was to love him. Addie
