“ *David was a great friend. I wish fate had brought us together much earlier. We met through our volunteering for Berkley in 1993; by 1994 I was friends with his entire family. In 2000 they invited me to stay with them in Germany. For the next two weeks they were wonderful tour guides. David even drove me the two hours to my deceased Grandma's hometown that was so small it could not be found on most maps. To set foot in her bavarian village of only 100 families was a incredible honor. Thank you, David. I lost a friend this week... but gained a guardian angel. Rest In Peace.*
