“ There is so many memories that words just couldn't explain about this man! For my 28 years I've known you as uncle David . The thing I loved the most about getting to see you and aunt Veronica was just how excited you would get and that big smile on your face when we dropped in on a surprise visit ! Boy those hugs it was like hugging a big bear , you could feel how much he loved you just in one hug! I love you uncle David and will miss you more then you know . I wish I could be there to give you one last goodbye . I love you aunt Veronica ,Josh and Abby ! We were truly blessed to have the time we had with him here on this earth . As I sit here with tears in my eyes I can feel him smiling down on all of us ! Forever my uncle David - love Stephanie M (special K)

“ *Oh the memories. From little league and the infamous first baseman's glove, to the hydro tube at Utica mall, 4 of us amigos with matching outfits for our annual Cedar Point trip, the way you went above and beyond to be there for me when I lost my cousin Niki. You were the constant entertainer and yet always so ready to help and say a kind word. You were my Bro and I'm going to miss you friend. Thanks for taking the time to be a part of my life.*

I met the McCools at a summer picnic at my home. Two of the sweetest people I have ever met. I have no words. Just hugs.
