“ I am so sorry for your loss. As the days and weeks pass, and you return to life's routine, may you be comforted by our ...God and Father of our Lord... the Father of tender mercies and the God of all comfort, who comforts us in all our tribulation, that we may be able to comfort those in any sort of tribulation through the comfort with which we ourselves are being comforted by God". 2 Cor. 1: 3, 4. Please accept my sincere condolences for your loss. Please also find comfort in the following: John 11:11 where Jesus said, "...Lazarus our friend has gone to rest, but I am journeying there to awaken him from the sleep." Our Heavenly Father holds out the hope of the resurrection and the ability to see our loved ones again.

“ We extend our sincere sympathy to all the Mc Kinnon family of David, from your "not-so-long-ago" Avalon St. neighbors in SCS. We fondly remember your family and the other 5 families with 23 Kids on that short block between Williams Ct. & Malvern. They were: Sproeders 3, Squillaces 7, Groths 4, Goodwins 3 and McKinnons 6.....enough for several Sport Teams. They sure had fun! We lived there from 1956-1980, and now live in Rochester Hills. Our "kids" all are in the area. With much Love to your family, from Warren and Marilyn Groth , and also Jim, Wayne, Julie Morris and John Groth.

“ My thoughts and prayers are with Dave and family, especially Terri and his kids, all of whom he was so proud. I spent a lot of time with Dave over the past seven years, but none so much as when we worked together in Connecticut and made dozens of bus / van / car trips to the campus from trips beginning north of Detroit and going some 15 hours to the East Coast. He was a true Detroit powerhouse- I used to tell him, he might be small, but he is mighty! We had a rich friendship and were finally able to go to a Tigers game this summer with work pals. I helped carry him and throw him in the air when MSU won the basketball tourney a few years back. He was the first person I called when MSU won the Rose Bowl this season. He was such a great guy- that when he heard of the passing of my sister this past Sunday, he called and left me a comforting voicemail first thing on Monday that sadly, I won't be able to return. I regret not being able to attend his services only because of services for my sister at the exact same times here in Toledo. I have had the opportunity to meet many of my sister's current work friends and they talked about how great and fun she was and I hope that in these words, Dave's family can hear how much I loved him. He was my dear, reliable buddy. I am thinking right now that if he has the chance to meet my sister in some celestial place, they are making friends with each other and having an Irish Catholic laugh!

“ *Please accept my condolences for the loss of your dear loved one. Take comfort in knowing that our heavenly creator, Jehovah, will soon remove all pain, sorrow, and death forever! Revelation 21:3,4. May this promise be of comfort as you gain the strength and inner peace to cope with the days ahead, knowing that Jehovah is by your side. Philippians 4:13.*
