I can't believe David is gone. He was my best friend from about 1975 to when I moved in 1982. My name is John Trolinger. I used to go to David's house all the time. He lived next to the railroad off Ferncliff Rd. I knew his mom and all his brothers and sisters. I remember you Carmie, we had classes together at Kimball highschool. You were like his first girlfriend. Gone at only 49 years I feel profound sadness. He was a good guy, better than most of us who hung around at that time. We were always getting in trouble back then but he had very good relations with his mom and sisters (and Kenny) who lived in the house with him.
