“ *Jane and Family,*

My sincere thoughts and prayers are with each of you during this time of loss. I know David will be sadly missed by all of his family and friends.

In the 16 years I have lived next door to you folks, not a single day has passed that I have not given thanks to have been blessed to have had you as my neighbor.

May the Lord bless you and hold you in his arms.

“ We send our deepest condolences for bearing such a loss. Uncle David has always been one of my favorite uncles and he will be dearly missed. I was very glad to have him here recently in Arizona and I will always remember our conversations about the good old days with my parents and the Rhodes family in Rochester. Our hearts go out to you in your time of sorrow. Love to everyone.

“ So very sorry to read this this evening. David was always so nice to me and my family. When my family moved from Kenmore street, and we would come back every so often, I always had to stop over and say hello, David and Jane were always so welcoming, it was always so nice to catch up on how things were going with everyone. I'm keeping every in my prayers
Peace and comfort to you all
