“ *From the day I met Dave he was my son, never a son-in-law. Always kind and loving to me and I was his Mom. I remember a time my health was at risk and Dave quickly took charge of the situation. My heart is broken that he is no longer in our presence but happy he has led the way for the rest of us. Dave forever in my heart...Mom* ”

Im absolutely stunned and heartbroken. Davey will always be one of my oldest and dearest friends. Between meeting in Lewiston MI and being roomies in Myrtle Beach SC, many of my best memories include him. My deepest sympathies go out to Tammy and the children and grandchildren. Youll forever be loved and missed. I always think of you when I hear Pink Floyd. I wish you were here.
