“ *Hard to put into words what a great guy Dave was, and how much we will miss him. Pat, Dave, Lorie & I have & spent many evenings together just chatting and enjoying each others company. Not easy to find people you just feel completely comfortable being around. He was always willing to help people out, and was a tremendous help to me whenever something broke down over here. Thanks Dave for being a great friend. Enjoy your place in heaven. We here on earth will miss you so much. Until we see one another again Arrivederci !

“ Very sorry to hear Dave is gone. Won't forget those past late night charity poker projects we worked on for the K of C, the projects we did together at the parish and all the things you did for us at our house. There's a lot of memories around here. Those crack-a-smile texts and emails you used to send me will be missed, too. Saying a prayer for you, Dave. Gonna miss you, buddy. Save a place for the rest of us.

“ Patty, Deepest condolences. We loved Dave! We will miss his drop in's to our house and the extensive conversations. Our beautiful kitchen and bathroom are reminders of the craftsmanship and pride Dave took in everything he did. Scout will miss her buddy, Dave truly loved our Cairn Terrier. She would light up when he would come over. Thoughts and prayers to you and your family. He was an incredible man and will truly be missed.
