“ I had the pleasure of working with Dave for many years at GM and shared a common "gear head" interest. Dave will always be in our thoughts and prayers for now and in years to come.

“ I am not sure what to say, but, I want all to know that I care deeply, Dave and I go long ways: Work, Racketball, Personal Friends. We share many years and many moments in life, I always enjoyed his company, I visited him about a month ago at the Assisting living in Shelby and we spent an hour talking and joking, he smiled and talked about his family. Dave will always be in my thoughts, and my prayers. I know for sure he will be in God's care now, and he will always be remembered in our hearts.

“ We are so sorry to hear about Dave. He was a great guy and a terrific neighbor. It was also great to work with him as a member of the Association's Board of Directors. Our prayers go out to everyone in your family during this very difficult time. May his soul now rest in heaven. Phil, Fran and Maria Turner
