“ *I'm sorry to hear of the passing of Uncle Dave. I know I was only involved in your lives for a short time, but I remember Uncle Dave as one of the most kind and caring people. I'm sure he will be sadly missed. My sincere sympathy and regret to all of his family. Peace, Joey Tallmadge*

“ *To Dave...whom I got to know working on commercial jobs at the Times Herald. You were the best at your job. You always had a smile for me whenever I saw you & whenever I messed up and you had to wait for me to fix it! You made me laugh and were always joking around. God Bless you! I am going to say a prayer for you & your family! You will be missed!*

“ *I also worked with Dave at the Times Herald. He was a great person to know and we had many, many conversations during our smoke breaks. He had many friends at the Times Herald and was well respected by all the employees and pressroom guys especially Rudy!!!. Know that you will be in my prayers and that Dave's legacy will live on in the lives of all that he touched. God Bless you in these surreal times.*

“ Dave and Family I worked at the Times Herald for many years and I'd count Dave as a trusted friend. I could always count on him and for some odd reason to always have my missing pen?! He seemed to take pleasure in displaying it in his pocket :- He even got me to pipe in the Tiger games on WJR for the Press Room. RIP
