“ We are all saddened to hear of David’s passing. He was part of our LaSalette Prayer Group for many years and we were all close. However, we lost contact with him in the last few years since he did not return phone calls, so we kind of gave up on keeping up with him. However, we continued to think about him and pray for him and talk about him and our prayer times and visits to Fr. Solanus Casey’s memorial Church. David was thoughtful and kind and always remembered special events, birthdays etc., and I was also remembering when he played Santa on Christmas Eve for my grandchildren. My twin granddaughters were almost two and they cried while sitting on his lap, probably a time he never forgot either! We were all familiar to some degree with his many health issues, and we always talked and shared family stories and events along with much laughter and fun. It is great to know he was surrounded by family during his final hours on this earth.

Please know that we are all sorry for your great loss with the death of your Father,

Grandfather, Great Grandpa and even Great, Great Grandpa , Friend and Mentor too.

Your good memories will keep him close to your heart as you deal with his passing.

Also, please know that you will all remain in our thoughts and prayers with your loss.

We feel helpless since we have no family members addresses to contact, and since we are all elderly and not going out, to be able to attend his services and share your grief

today or tomorrow at the Funeral Home or Church.

Our hearts, thoughts and prayers and love are with you all.

Sincerely The remaining Our Lady of LaSalette Prayer Group:
