“ Dear Patty and family, It was so good talking with you today Patty. How strange it is that we would lose a parent in the same week. It is comforting knowing that I will have you to share in our parents memories as we continue to make ours. My thoughts and prayers are with all of you at this sad time. I hope to see you soon. Love, Tina

“ *Dad.....I hope you knew Dave and I were with you last night. It was an awfull phone call to get..you were still warm when I got to you. I kissed your forehead and stroked your eyebrows just like you did to me when I was little. Finally you are well again, and are once again working on cars and building houses with grampa. I hope gramma is making stuffed green peppers for you and ironing your carpenters uniform like she taught me to. I'll take care of Dave; don't worry...I'm "the big sister". Rest in Peace...I love you~*
