“ I am very shocked and sad to find an Obituary. I was at home and something on tv made me think of Debra. I was looking to rekindle our friendship however I was too late. My name is Dina, Sue may remember me. I lived in the house with long driveway on Romeo Plank rd. I want to send my condolences and to let you know that my friendship with Debra was one of best times of my life. I was sad that we had to part paths, cause losing one's best friend is hard. Debra and I were as close as sisters. We had each other to lean on during a rough time in our lives. Everyone knows how hard teenage years can be. I was with her through her Alopecia, when she lost all her hair. She helped me come out of my shy closed off personality, and I tried to keep her reined in. She was so full of life and was always ready to experience it. We did some crazy teenage shannigans. Only thing that kept us safe was the fact that we had each other. I'm very sad that she died at such a young age. I wish the Harris family well, and again I'm sorry for your loss.
