“ *Dear Debbie,
I met you when I was a very little girl and you and my parents became friends while we lived on Kensington! Michalina became my best friend and Tommy and my brother Aaron became best buds! You babysat me and my brother a lot (Michalina and I watched Grease 24-7)! I remember one time when I was about 7 or 8 and you made me eat peas! I was so mad at you! But I realized once I grew up... it was only because you loved me! You've helped me by letting me live with you for a short time when I was a teenager and I Thank you so much for that! I will always remember how you loved me and I will always remember you smiling at me! I've been battling my own cancer and I pray I have been, will be, and am as strong of a fighter as you were! Now there's no more suffering! See you later!
