“ I went to Judson Center with Debbie Prescott for at least ten years. I had gone to various job sites with her and other friends. She was very sweet lady and I will miss her. I am so glad that I got to know her for a long time.

“ *To my god mother, I will cherish the times we had together, you brought so much happiness to our family. Your laugh was contagious! You were such a good sister to my mom, must be where you got your spunk and sassiness from! I love you, may you rest peacefully in heaven with grandma and grandpa.*

“ *Debbie! What a wonderful person full of love and smiles for everyone. She was at her best when she got the chance to give us all a little reminder that she has some sassiness in her followed by that grin to let you know she just got you. As I came into the family and was told the story about the family's commitment to bring her home and to always take care of her I can say that every member of the family did exactly that and with deep love and caring. She was the one thing that brought the entire family together sisters brothers the in-laws and the many nieces and nephews that she has were all a very important part of her life as she was ours. That unconditional love is what life well lived is all about. May you rest in peace with your family that is waiting for you in heaven. All our Love - Lynn and Aaron *
