“ I am very sorry for your loss. I had the opportunity of working with Dee for many years and each day was a pleasure. As the saying goes: “They don’t make them like her anymore.” She will be remembered.

“ So saddened to get the news today about Dee. She was the President of the Co-op Association where she lived for many years. My Brother & I met her 5 Years ago when he was going through the process of becoming her upstairs neighbor. Dee was very independent, did not want help with groceries although her arms were full & it was raining outside. Ron & I both said she reminded us of our independent deceased Grandma whom we loved & have missed dearly for 15 years. She & Ron became great neighbors & friends, spoke often, especially when he brought her some of his home cooked meals, or helped her with odds & ends. One husband was a Jazz musician, so it is fitting that I learned that she loved to dance. Dee, you were a great Friend, neighbor & we miss you! Family: Please let us know if you are having a celebration of Dee's life, as we would like to pay our respects. Ron Stelmaszek (Upstairs on opposite side) & Nancy (Stelmaszek) Cummins (C21).

What a special lady Dee was. I remember her Halloween Costume when she dressed up like a garage sale lady. And, if you needed an envelope opener, you got a plastic knife!!!! It is true, she was one of a kind but a wonderful and loving person. She was like a Mom to all of us at Rutledge, Manion. Cheryl Saba
