I just want to say my mother in law loved her family and always put us first. She was a strong woman that kept going even though she had a lot of health issues. It is hard not being able to see her anymore but I know she is with her husband and God now in heaven. Rip love 💕 Jill

Delores loved her family and all the great memories they shared. During covid we shared a lot of stories to get through that very tough time when she was isolated from her family. I am blessed to have known Delores my covid Buddy. I know your dancing with Jim in heaven 🙏🌸
